Winter Leagues

The Defensive Pistol League is being run again this year with League Directors Lee Whyte and Ron Mandronico heading the program. As in past years, shooting is held on Wednesdays and will continue through the end of April. You can shoot in the evening any time between 6:30 pm and 9:30 pm.

The Sporterifle League of the Oneida Rifle Club has started its 2008 season at the club range with the same format as last year. Shooting is open to club members and their guests and will run through the end of March. League Director duties are being shared by Dave DeFrees (363-5703) and Ed Oakes (363-7367).

The Bullseye Pistol League started in Nov. Shooting begins at 7 pm and the league runs thru early April. The league is running the same as in the past and is open to all members and their guests. You can call Mike Grass at 363-0405 with inquiries about the league.

The Action Pistol League is being conducted in the same format as last year. Shooting takes place on Sunday mornings. There's a one time registration fee; daily fee of \$1.00 for each course of fire. You can contact Ken Macari 841-8518 if you have questions.

2008 Membership Dues

If you have not paid yet, your dues for the year '08 are now past due. Non-payment will result in removal from roster. Dues are to be paid prior to January 1 of the new year so you can get your combination to the door. (Regular Membership \$50; Senior Membership \$12.50) Please (if you have not done so) make Ed Trombley, our treasurer's, job easier by being prompt with your payment.

2008 NRA Open Sectionals

The Oneida Rifle Club is hosting the NRA Open Sectionals for the 47th year on Sunday, March 9th, with morning and afternoon shooting squads. It's a good money-maker and gives our club very positive PR.

Mark your calendars for the date. Plan to come down and shoot or to volunteer to help make the event the usual success. We need shooters, volunteer workers, people to make food donations, etc. There is something that each member of the club can do to help make the event successful. We all receive the benefits of this event; we all should contribute to the effort. Or come down on Saturday morning to help get the range and clubhouse ready for the event.

For more information about Sectionals in March, you can go to the Oneida Rifle Club website. There you can see the bulletin of information to describe the event, access squadding times, and download a copy of the application form.

Newsletters by Email

Currently 50 members (about 25% of the total membership of 200) have opted to receive their newsletters by email instead of paper copy by post.

Those who have signed up for the email should receive their email copies early in March. **ALL** members will also receive the paper copy (the *final* check for the automated system.) Then in May members will receive the email **OR** the paper copy according to preference. If you signed up for the electronic version but are not getting it, contact -- jpawlika@twcny.rr.com.

Getting the newsletter this way is easy. Just log in (www.oneidarifleclub.com) and follow the instructions. **DONE... Easy...**
