Letter from the President

The Oneida Rifle Club recently had the opportunity to host, Senator David J. Valesky (D-Oneida) and Senator Eric Schneiderman (D-Manhattan/Bronx), Chairman of the Senate Codes Committee. The Senators participated in a sport shooting demonstration and discussed the impact of gun proposals on hunters and sportsmen. The Oneida Rifle Club was selected based on its location and excellent facilities to host this type of event. Thanks to our club members who participated in this event as range and safety officers. Club members also contributed to the discussion on gun legislation that hopefully have a positive impact for sportsmen and enthusiasts throughout the state.

Our summer leagues will be finishing as many of us prepare for hunting season. In preparation for hunting season, we will be having another club "Sight In" day. This event opens the outdoor range to the public to sight in firearms for hunting, under the supervision of experienced club members acting as range and safety officers. We will be selecting the date and time for soon, and will post notices in local businesses.

Our winter leagues will be starting soon and I want to encourage participation in our Junior Club which is open to any 12-18 year old. Junior club members will learn the safe handling of a gun, proper shooting form and control in a rigidly supervised arena. Students learn how to shoot a .22 caliber rifle in competition with others. To participate you must have parental consent, a .22 rifle that may be fired single shot, proper ammunition and the desire to learn. Watch the website for more information on this and other upcoming events.

Thank You, Tim Crofton

Annual Meeting

At the October 12th meeting, after the regular monthly meeting, we will be holding our Annual Meeting. It will cover the election of officers, votes on the dues, membership fees, and discussion of lot of other once a year business; we should have a large turnout for this meeting. If anyone would like to nominate a member for "Distinguished Life Member" please notify Ron Mandronico, or any member of the Board of Directors, before the meeting.

The board is looking for members to fill many officer positions. If asked please do consider holding an office for the upcoming year.

Please take an active role in the business of your club by attending this important meeting.

Pistol Shooting Tip

Everything Affects Your Shooting

Eat light at least two hours before a match. No Caffeine, sugar, chocolate, fats or smoking. It is hard not to eat or drink the stuff that tastes so good, but think of the good taste of shooting a tight group. 2700's start early and run until mid afternoon. You should eat a light lunch. I eat a banana and a bagel. Also bring plenty of water for summer matches. Stretching your muscles before and during a match helps relax your muscles and mind.

Do Not stop your normal routine the day of a match. For example, if you have 3 cups of coffee in the morning continue to have them. You could experience withdrawal symptoms if you decide not to follow your regular routine.

Pistol Permit Class

If you would like to take a Basic Handgun Safety Course, or if you know of someone who is looking for a training course or someone looking for information about how to receive a Pistol Permit, call Jim Pawlika at 363-4235 or email him at jpawlika@twcny.rr.com. This course covers Oneida and Madison County requirements for beginning the Pistol Permit process.

While there is not a class on the calendar at this time, we will offer one later in the fall as numbers of participants require. We have held three classes so far this year.

Trap League

The Trap League will continue to shoot for a few more Sundays (1 - 3 pm). As we near the fall and hunting season, participation usually begins to drop off. We will continue to the end of September. Come sharpen your wing-shooting skills, come to watch, come enjoy the afternoon.

Black Powder League 2009

The Black Powder League (Oneida Free Trappers Black Powder Shooters) is winding down its long season of Thursday night shooting as the evening daylight dwindles. Our interest as the league ends is preparation for hunting rather than competition shooting. The purpose of the shooting has always been for camaraderie and to gain familiarity with our rifles to do battle at other shooting matches rather than have serious competition amongst ourselves. Although Mike Hasenstab shooting an average of 40 to my average of 39.2 on the small bull target off-hand at 50 yards is pretty tight competition. Rick Rodgers shot a solid 43 average on the big bull target. We also had some fun with Walt Kramers spring chicken and my swinging rabbit for a diversion. Also we got the tomahawk block back up and did a little knife and hawk throwing.

There were 13 registered shooters but our numbers were depleted by the wet start to the summer where shooters get out of the habit of coming. It either rained or threatened to rain many Thursday evenings. The extra work and odd hours it seems to make a living now is cutting into time shooters have to participate. Maybe living will be easier when we start up again in April next year.
